We invite you to explore this sponsorship prospectus. If you have any questions or would like to claim one of the scholarships, please contact Tyler Clark at headquarters@world-gifted.org. We look forward to seeing you in Ljubljana Slovenia!

WELCOME

Dear Colleagues,

The WCGTC Executive Committee and Local Conference Committee are excited to invite you to attend the 27th Biennial World Conference that will be hosted in Ljubljana, Slovenia. The mission of the WCGTC is to focus world attention on gifted and talented individuals and ensure the realization of the valuable potential to the benefit of humankind. The World Conference provides the perfect opportunity for individuals from around the globe to gather together to discuss and learn about serving and advocating for gifted students.

Attendees will enjoy keynotes, parallel sessions, symposia, and workshops delivered by international experts in gifted education and talent development. We encourage all researchers, educators, practitioners, psychologists, parents, among others interested in the needs of gifted learners to join us in Ljubljana.

We look forward to welcoming you to Ljubljana during August 23-27, 2027.

Sincerely,
The WCGTC Executive Committee

LJUBLJANA

Ljubljana, the capital of Slovenia, is a dynamic Central European city with around 300,000 inhabitants and a predominantly continental climate. Recognized for its green character, compact size, and walkability, Ljubljana invites visitors to explore it easily and sustainably.

The city's charm lies in its unique blend of history, style, arts, and culture. Much of this harmony is owed to the world-renowned architect Jože Plečnik, whose visionary urban design turned Ljubljana into one of the 20th century's most remarkable total works of art and a UNESCO World Heritage Site.

INFORMATION

The conference will be hosted in Ljubljana at the Bežigrajski Campus of the University of Ljubljana. Several keynote presentations, preconference workshops, parallel sessions, roundtables, panel discussions, and posters will be held at the conference.
